

# St Benedict's

Catholic High School, Alcester

28 November 2017

Dear Parent/Guardian

## **Year 7 Trip to Warwick University Christmas Lecture, Monday 4<sup>th</sup> December**

Warwick University runs a series of Christmas Lectures aimed at introducing children to Science and Maths. The lectures are held at Warwick Arts Centre (Butterworth Hall). I have still got some spare free tickets to for the second lecture "**Red and yellow and pink and green**" - If you would like to share this opportunity with your son/daughter please see below.

"**Red and yellow and pink and green**" - Colours can have a significant impact on our perception, but do we always see the same colours as one another? What makes some things appear to be a particular colour and can they change over time? With a generous helping of fireworks, prepare to see colour in a new light and join us on a journey through rainbows and stars in this interactive lecture exploring the world around us. Further information is found at the Following website:- <https://www.warwickartscentre.co.uk/whats-on/2017/the-warwick-christmas-lectures-red-and-yellow-and-pink-and-green/>

- If you are already coming and would like extra tickets please email me the detail on the reply slip below by email to [bragg.s1@st-benedicts.org](mailto:bragg.s1@st-benedicts.org).
- If you wish to join us but have not yet replied please email me the information on the reply slip or hand it in to room 20 ASAP. Tickets will be offered on a first come first served basis.

Confirmation of tickets, will be by email by Friday at the latest.

**If you have already reserved a space there is no need to re-apply.**

Due to the location and time of the venue it will not be possible to transport students from School so you will need to arrange transport to share this opportunity with your son/daughter. If you are allocated a space then you will need to meet myself at the entrance to the Book shop (on the stairs) with your son/daughter which is opposite the café at Warwick Arts Centre at 6.40pm to collect your tickets. Car park 7 is the nearest place to park.

Students do not need to wear school uniform.

Yours sincerely

Sarah Bragg
