

St Benedict's Newsletter

Issue No 15

Date Friday 12 May 2017

YEAR 11 CELEBRATION MASS We were blessed yesterday with Mass to celebrate five successful years at St Benedict's. Deacon Steve reminded us in his homily of some of the amazing memories we have of our time here. As a Catholic community, Mass is at the centre of our faith and we are so grateful for the opportunity to gather together to celebrate the joy we feel to be a part of this wonderful community!

THE SKY IS THE LIMIT Well done to Miss Buckley, who completed her charity bungee jump in April and raised a total of £1000 for Sanyu Babies home in Uganda. She would like to thank all those that sponsored her and help double her target. The charity are overwhelmed with the generosity shown and the continued support of St Benedict's School.

STAFF VACANCIES We are currently looking to recruit a Design Technology Teacher, a Health and Social Care Teacher and a Science Teacher, for more information please visit the School website.

YEAR 10 BUSINESS STUDENTS, as part of their controlled assessment, had to chance to interview Carol, the owner of Cafe Venue Xpresso in Alcester. Carol kindly gave up time to come in and speak to the students and shared her experience of running a business. The students enjoyed gaining business knowledge and experiencing business in the real world.

HERE COMES SUMMER! In the last week of term we had an exciting cook up with guest Chef Mario from Love Joes Foods, He showed us some very tasty dishes from the Mediterranean that we can look forward to this term and will go down a treat on those hot sunny days we are all looking forward to.

CONGRATULATIONS to Alex Green in 9D for his continued success over the Easter Break. Alex is an accomplished horseman and he achieved a Team 5th and an individual 3rd at a Combined training event on his young horse Harry Potter. Alex, then took both Harry Potter and Samuel to Allenshill in Pershore and achieved team results of 3rd and 5th, Samuel also qualified for the Pony Club Championships in September. Alex then went onto bigger jumps and his team finished 3rd. Well done Alex, Harry Potter and Samuel!

RISKY ROBOTS ICT Development Service are holding a 3 day Summer School called 'Creative computing and some risky robots'. The sessions are for children aged between 8 and 14 years of age and run from 21 to 23 August. For more information please see www.ictds.org
