Dear Parent/Carer,

Re: GCSE English Literature Set Texts

The English Department would like to take this opportunity to welcome you to GCSE English Literature and GCSE English Language.

We would like to strongly recommend that you purchase the copies of the set texts to support your son/daughter with their learning. The advantage of this is that copies can be annotated, highlighted and personalised which adds learning and understanding. This is perhaps especially important now as the texts cannot be taken into the exam room.

We have managed to secure a very good price for the set texts and so the cost will be £15 for the three Literature texts that your son/daughter will be studying throughout the 2 year course.

If you choose not to buy the set texts then there will be copies that your son/daughter can use in school but they will be unable to take these home. This will make homework and revision very difficult.

The deadline to order is Monday 25th September so we can order the texts straight into school before the study of the first text. Payments by Parent pay are preferred. You do not need to return the slip below if you pay in this way.

It is not possible to cover these costs from school funds so we ask parents of children purchasing the texts to volunteer this amount in order that we can place the order. Inability of a parent to make this payment should not preclude their child from having the set texts so please contact Mrs Whitehouse (Finance Office tel: 01789 761936) in confidence at school if you would like to discuss this with her.

Please do not hesitate to contact me if you would like more information or clarification: hursey.r@st-benedicts.org.

I will be writing with further details of the English GCSE course next week including information on free resources that your son/daughter will be able to access.

Yours sincerely

Mrs R Hursey
Head of English
