

# St Benedict's

Catholic High School, Alcester

September 2017

Dear Parent/Guardian,

## **YEAR 10 GCSE SCIENCE – Teaching Groups 10-1 and 10-2**

The Science Department will be selling Oxford University Press Revision Guides for biology, chemistry and physics, along with the accompanying workbooks. They are the UK's bestselling GCSE Science series and have been updated and specially tailored for the new 2016 AQA GCSE Science (9-1) specifications. These will support the curriculum within the department and aid as a revision tool for final examinations that take place in year 11.

I recommend that all pupils purchase the books, as it is the intention to use them alongside the classroom teaching.

**The total cost for the books is £37.40**, this is a reduced school price. They must be purchased as sets, books will not be ordered individually.

**The deadline for orders is Friday 29 September 2017. Payments by Parentpay are preferred.**

It is not possible to cover these costs from school funds so we ask parents of students purchasing these books to volunteer this amount. Inability to make this payment should not preclude a student from having these revision books. If, for any reason, you are unable to pay for the books please contact Mrs K Whitehouse in the Finance Department (01789 761936) and she will do her very best to assist you.

Please do not hesitate to contact me if you would like more information: [bragg.s1@st-benedicts.org](mailto:bragg.s1@st-benedicts.org)

Yours sincerely

,

Mrs S Bragg  
Head of Science
