

St Benedict's

Catholic High School, Alcester

Dear Parent/Guardian

The History Department would like to offer your child the opportunity to take part in a GCSE History Battlefield Medicine workshop on Monday 2nd October 2017. The workshop is designed to support teaching and learning of the AQA GCSE History module 'Britain: Health and the People: c1000 to the Present Day'. The workshop will therefore support your child's revision in the lead up to their mock exams in November.

The workshop will be delivered **in school** by *Front Line Living History*, experienced historical interpreters with years of expertise in WW1 battlefield medicine and working in education. Workshops are supported by hundreds of authentic artefacts, hands-on and role play activities and carefully-chosen period images and film; and – most importantly – they are based entirely upon the actual experiences of those who served Britain during the Great War.

The workshop is due to take place on Monday 2nd October and will be 2 hours in duration. As the workshop will be delivered by an external company, there is a charge of £10.50. To secure a place for your son / daughter please pay through ParentPay. If you have any questions or concerns regarding payment, please contact either Mrs Whitehouse in the finance office, or Miss Dance to discuss.

Yours faithfully

Miss D. Dance
Head of History
