

# St Benedict's

Catholic High School, Alcester

## Vacancies for Foundation \* School Governors

- Do you enjoy supporting young people achieve challenging outcomes?
- Is working with others towards a better future something you would like to do?
- Have you experience or skills that would be useful to our school?
- Would you have a time during the week available?
- Do you want to work with the highest ranked comprehensive school in the West Midlands (Sunday Times Report 2018)

St. Benedict's Catholic High School is committed to delivering outstanding education to our pupils and to support this, we are currently looking for additional Foundation Governors to join our team.

Governors are expected to bring their skills and experience to the role and be a 'critical support' for the Headteacher and staff. This would mean being available to attend meetings across the school day and some evenings. You would need to be prepared to read papers and documents in advance and work collaboratively on committees to support areas such as recruitment, finance and pupil progress. There would also be instances where Governors are involved in the detailed review of decisions taken in school.

We are interested in individuals who have experience or understanding of Education, Commerce, Local Authority, Accountancy, HR, Legal or Governance, however this is not essential. On appointment, Governors will be supported with an induction and training plan.

If you would like to know more about the role, please contact me for an informal discussion.

Kind regards,

*Mark O'Connell*
