

## **BENNIES YEAR 6 INTO 7 CHALLENGE**

This is a challenge for you to attempt during the Summer Holidays for English. All of the instructions are written on the sheet, and someone at home can help you if you aren't sure. If you don't think you can do a particular experience, then don't worry! You can do another one – we are not expecting you to complete them all! The sheet will also be put on the St Benedict's website for you to print again if you lose it.

The idea is that you complete 10, 20 or 30 experiences to earn a bronze, silver or gold prize during the summer holidays. Earning a bronze, silver or gold prize will earn you house points for your House at St Benedict's.

Please do your best to complete as many experiences as possible!

# THE BENNIES YEAR 6 INTO 7 CHALLENGE

When studying English language or literature, having a range of experiences can be incredibly enriching to aid, develop and deepen your understanding of the literature you read. We have therefore worked together to put together a range of ‘challenges’ that we think you should try and experience this summer.

**Awards:** Bronze try x 10 experiences

Silver x 20 experiences

Gold x 30 experiences

**We will require you to create your own reflective journal or scrapbook and write a minimum of one paragraph about each experience, this paragraph then needs to be signed and dated by a parent or carer and you must also attach photographic evidence (where possible) of you completing the challenge. Scrapbooks and journals will be due by Monday 17<sup>th</sup> September 2018.**

Watch:	Visit:	Visit	Learn/ Research	Read	Activities
A football match	A seaside	An art gallery	Make a list of the 7 wonders of the world.	About the La Tomatina festival	Fly a kite
